

## Children's Home Society Hosts Ghosts

Today is the final day of the third annual Haunted House at El Cerrito Plaza. The attraction, which utilized the talents of numerous community organizations and merchants, will remain open until 8 p.m. this evening. Proceeds will go to support Children's Home Society services.

Five chapters of Children's Home Society banded together to plan the "Spook Rooms." Ladybug Chapter headed the event, assisted by Chapters Aladdin, Thumblina, Hiawatha, and Pinocchio. The junior Children's Home Society Chapter, Fantasia of Acalanes High School, also assisted with the Haunted House.

Children's Home Society provides counseling and adoption services for local citizens. The Haunted House is a major fund-raising project of the society. This year, chairmen for the event were Kathy Rose, Ardis Crist, Janie Magani. Costumes were created by Wendy Freeborn and Becky Fordiani coordinated staffing. Publicists included Berta Daniels, Sharon Alföldy, Barbara Still, Marilyn Nelson, Nina Hazelton, Georgia Rouse, Pat Sherman, and Dee Andronico.

Last year the Haunted House hosted over 9,000 visitors. This year's attraction has proven to be just as popular with features such as "Out of This World," "Gypsy Fortune Teller," "The Good Witch," "The Mad Surgeon," "Monster Mash," "The Maze," and "The Hunchback." Sponsoring duties were shared by El Cerrito merchants and Children's Home Society Chapters.

El Cerrito Chamber of Commerce aided the Children's Home Society in this year's event. In a total community effort, the chapters have helped to continue programs such as temporary foster care, pregnancy counseling, and adoption information.

The Haunted House, open until 8 p.m. this evening, is not recommended for children under 6 years of age. Admission to the Spook Rooms is 50 cents per person. For a good scare, Children's Home Society Chapters suggest you visit them at the south side of the El Cerrito Plaza.

## Tot's Story Hour Set

Preschool story-hour at the Albany Library will begin on Thursday, November 8 at 10:30 a.m. The story-hour, for children ages 3 to 5, is free and there is no registration.

For more information, please call the library, 526-3720.

of the El Cerrito Chamber of Commerce helped to organize the third annual Haunted House at El Cerrito Plaza. Proceeds to benefit Children's Home Society.

## Albany City Council Tackles Varied Agenda

The five-member Albany City Council dealt with a variety of civic duties at the weekly meeting held Monday, October 29 at 8 p.m.

Three notices were brought to the council's attention: an investigation on the Public Utilities Commission of the State of California's own motion, into all facets of overhead and underground transmission facilities of all Electric Public Utilities in the State of California to be held November 28, 1973 at 10 a.m. in the Commission Courtroom, State Building, 350 McAllister Street, San Francisco, California; proposed changes in the Regulations of the Secretary of Business and Transportation, State of California; and Notice of Resolution of Public Utilities Commission of the State of California, to amend Rule 17.1 of the Commission's Rules of Procedure to correct an ambiguity in interpretation of the requirements for deposit.

The council approved a request by Albany PTA president Peggy Torstrom that October be proclaimed PTA month, and granted a Resolution of Commendation for the "Salute to Earl Warren Dinner" to be held November 6, 1973. A rate ad-

justment to offset operating losses was granted to the Yellow Cab Company of Alameda County. The appointment of Sergeant Gerald M. Martin to the permanent rank of sergeant, effective November 1, 1973, was approved on the recommendation of Albany Chief of Police James R. Simmons. The council also concluded business concerning Resolution No. 73-90, which authorized the execution of a contract between the City of Albany and the County of Alameda for Laboratory Services for the Health Department.

On a 4-1 vote the council delayed decision on rezoning the area "commonly known as the northern side of Marin Avenue, between Evelyn Avenue and Talbot Avenue, for a depth of 100 feet north from said Marin Avenue," to "P" zoning, which would allow under Use Permit procedures the location of professional offices.

Communications from D. A. Sargent and Company; James B. Turner, Administrative Officer; Ben H. Lewis, Mayor, Riverside, California; Richard M. Flores, Foreman, 1973 Grand Jury; and Robert Reid, Chairman, Alameda County Solid Waste Management Plan Advisory Committee were also dealt with in the 75-minute council session. Payment of

## REMINDER

The Albany Citizens Bond Committee is proceeding with plans for a paper drive to be held November 3rd and 4th. Funds collected from the sale of the papers will be used to offset expenses incurred during the School Bond campaign.

Mr. Dario Meniketti, chairman of the paper drive, has requested that anyone who wishes to dispose of newspapers call him at 524-3202 any morning before 9 a.m. Or you may leave your newspapers on the parking strip in front of your home and they will be collected on November 3rd or 4th.

## AFS Indian Exchange

The Albany Chapter of the American Field Service is hosting the California-American Indian Exchange, a new program open to high school students 16 to 18 years of age.

The program, which was initiated in 1970, offers an Albany high school student the opportunity to live and attend school with an Indian of the same age. In turn, the student's family plays host to an Indian visitor, who will attend school with the Albany student.

Interested students and families should contact Kim Fletcher at 524-4709 or Marco Meniketti at 527-5137 for more information. Final date for filing applications is November 2.

## Friends Honor Eda Dupin

For ten years Eda Dupin has helped children cross the street safely at the corner of San Gabriel and Key Route Boulevard. She retired this year and parents and children both miss her. Eda and Louie are the parents of Don Dupin of the Albany Recreation Department.

No matter what the weather was like, Eda or her husband Louie were at the corner to help the children cross. Their warmth and cheerfulness meant so much to the children and to their parents. They knew each child by name and would often call to find out why a particular child was absent for several days.

Every holiday — Christmas, Easter, Valentine's Day, etc., Eda and Louie would meet the children with gifts. After school and on weekends and during the summer Eda's doorbell would ring and a child would be standing there asking to be helped to cross the street. Fortunately, Eda and Louie lived right at the corner.

On Friday, November 2, the MacGregor children are honoring Eda by having an "Eda Dupin" Day. Eda and Louie will have lunch with the children at school. All friends of Eda and Louie are invited to attend from 12-1 o'clock. If they would like to eat with Louie and Eda the lunches will have to be ordered by Thursday morning (November 1st.) The cost of an adult lunch is 80 cents.

A gift will be presented to Eda. Contributions for this gift can be sent to the MacGregor or Primary School Office by Thursday also.

We hope all of Eda's friends will attend.

## Officers Elected

At the October 23rd meeting of the 1000 Oaks Business and Professional Association, officers were elected for 1974.

John A. Zoro of 1000 Oaks Hardware was elected to a third term as president. John Knotts of Knotts Burger Farm is the incoming vice-president. Sue Ortmann of Ortmann's Ice Cream was elected secretary, and Ray Hoffman of Wells Fargo Bank will serve as treasurer.

Board of Directors are Mike Grace of Park and Shop, Al Luis, Mechel's Grocery, and Bob Zavataro, Oak's Jewelers.

## Children Treated To Pumpkins

The staff of David Robinson's real estate office believe in giving service, and they also enjoy giving it as witnessed by their latest effort. They picked a truck load of pumpkins in Half Moon Bay and distributed them to the young citizens of Albany. At first they were concerned that they might be left with a back room full of pumpkins, but there was no problem as the response was fantastic! All little goblins are now invited to a Halloween evening open house for an additional treat, but they'll want to see the tricks first.

# School Bond Information On Upcoming Election

(This is one article in a series on the school bond proposal, Measure A, before Albany voters on the November 6 ballot).

By ROBERT E. SHOEGREN

The portion of the current bond proposal which is of particular concern to me is the housing of 6, 7 and 8th graders. As the administrator who was given responsibility for this age group during the emergency measures brought about by the closing of Marin School and portions of Cornell, I am only too keenly aware of the shortcomings of the present state of affairs. Out of the total enrollment at Albany Middle School, 404 pupils are on the minimum teaching day allowed by the State department of Education (240 minutes). This amounts to one full teaching day less per week for all 6th and 7th graders, and half of the fifth graders.

These youngsters are asked to give their best learning efforts during hours from 12:30-5 p.m., thus losing the morning hours when energy levels are high and most folk operate at their best physical and mental levels. Mix with these handicaps the inconveniences of holding classes in a building which must now accommodate full primary, middle and high school plus adult school programs, and you will get a picture of circumstances which now frustrate both pupils and teachers.

Frankly, almost the only thing, other than our sincere concern for the present welfare of our pupils, which prompts a dedicated staff to continue to make the best of a poor situation is the hope that this arrangement is temporary. We look forward to the day with great excitement and enthusiasm when our pupils will be housed in a building responsive

## Questions Pertinent To Bond Issue

### QUESTION:

I understand the present State loan for Marin School will increase the tax rate 17.5 cents. Why won't a second State loan for the Middle School further increase the tax rate?

### ANSWER:

The State law provides that if the annual repayment of the Marin and Middle School loans exceeds the amount that 17.5 would raise, the difference is cancelled on the books of the State Controller.

It is estimated that the repayment of the Marin loan will be approximately \$90,000. The money from the 17.5 cent tax rate during 1974/75 will be approximately \$76,000. The difference of \$14,000 will be forgiven. With an additional loan for the Middle School, the repayment to the State for both schools will be approximately \$190,000. The tax rate of 17.5 cents does not increase and the amount forgiven is \$114,000.

to the needs of this very special age group.

Should there be a successful bond election in November, the staff envisions a school plant which will accommodate both the needs of basic education and exploratory studies to widen the students' awareness of the many alternatives in vocational and recreational pursuits available to them in American society. We believe that the middle years in a child's education have been neglected in this district far too long.

Housing all 6, 7 and 8 graders

In one building will give us an opportunity to draw all staff members together who are truly interested in working with this most challenging age group. The result, with community input, will surely be a far more efficient program and one far more realistic in terms of their unique needs.

Supplementary instructional materials are now available in a variety of media other than books. Clearly, the small book libraries of the past are no longer adequate to house the fine teaching aids already on the market. This "multi-media" or "resource" center is envisioned as not just a safe place to keep things, but a working center where materials are easily accessible to pupils and teachers for study. In addition, space could be provided for the production of vital teacher and/or pupil made learning aids.

We are particularly concerned that any new building will provide work areas in addition to regular classroom space for introductory and exploratory experiences in a wide variety of fields from basic manual training in the use of simple hand tools to computer mathematics. We are pleased to see that the district architect has responded to these concerns in a most creative fashion. His schematic plans indicate that such a school as we have described is truly possible within the realistic limits of Albany's ability to finance it.

We believe that the quality of education is inextricably entwined with the quality of life in the city as a whole. Good schools help make a good community. Poor schools cause people to look elsewhere for a more satisfactory place to put down their roots. We hope that a majority of the voters realize that Albany desperately needs new schools now!

## Police Chief Asks Citizens' Help In Prevention of Burglaries

With the coming of Christmas and the holiday season, the possibility of increased burglaries and other crimes is ever-present. Chief of Police James Simmons is asking the help of Albany citizens in preventing burglaries and apprehending individuals involved in criminal activities.

"It seems that the citizen is reluctant to phone police with information gained from their observations of people or situations that are not normal or routine occurrences in their areas. The person intent on criminal activity usually capitalizes on this and is successful in the commission of a crime," commented Chief Simmons. "Citizens are encouraged to call the police whenever they see something out of the usual."

## Haunted Haven Party

In an effort to give Albany youngsters under 12 a safe Halloween, the Albany Methodist Youth Fellowship is sponsoring a "Haunted Haven" at the Methodist Church, Marin and Stannage, on All Hallows' Eve, from 6:30 to 9 p.m.

No charge is made for the guided tour through the spooky rooms or for the treats provided. Parents are welcome, too, but must be accompanied by their youngster.

The youth of the church, noting that parents have become more worried about going out at night or accepting treats at stranger's doors, decided they should do their part to bring fun back into Halloween for the young children of the community.

Special lighting effects and a ghoulish "cast" are combined into visual and emotional treat for young and parent alike. Costumes for the visitors are also encouraged.

Burglaries in the residential areas are at an all-time high. The methods used to accomplish these crimes are varied. Often an individual knocks at the homeowner's door and asks for a person who has never lived there. If no one is home, a common ploy is to go to the back of the house. If confronted, the intruder frequently claims to be working for the owner as a gardener. In the event the intruder is discovered by the owner, he says that his dog had run there, or his ball went over the fence, or some similar excuse.

When confronted by the above situations or similar ones the police department suggests they be called. A basic description including race, age, and color of clothing is often helpful in apprehending criminals.

Routine precautions such as locked doors and secure windows can discourage criminals. But again, if anything seems unusual, notify the police immediately.

Again, it is emphasized that if you notice anything unusual, no matter how small, please call the Albany Police Department, 525-7360 to report it.

## A MESSAGE to ALBANY RESIDENTS:

ON TUESDAY NOVEMBER 6th the people of Albany will be asked to approve a School Bond proposal of \$1,620,000, to build a new middle school on the Gill Tract site and to replace the earthquake unsafe portions at Cornell School.

At a regular board meeting on October 9th, the ALBANY CHAMBER OF COMMERCE unanimously voted to approve this bond proposal as being in the best interests of the entire community of Albany.

Certainly GOOD SCHOOLS have always been a great advantage in promoting Albany as a logical place to establish a business or residence. It is now important to keep pace with the times and offer an educational program in Albany, second to none in Northern California.

A HEALTHY BUSINESS CLIMATE insures a reasonable tax structure for the residents in Albany, and we want the people in this community to know that the CHAMBER OF COMMERCE is solidly and firmly in favor of his Bond Proposal.

We urge your careful consideration for the future of Albany.

## HOW TO HELP CONSERVE ENERGY:

FREE PG&E BOOKLET OFFERS 61 MONEY-SAVING TIPS.

The energy pinch is on. So we are urgently requesting that our customers make a concentrated effort to conserve all the electricity they can. Although our power plants currently have the capacity to meet demands, we are facing a critical fuel supply problem. If we can't get enough fuel to operate our power plants at the necessary capacity, there won't be enough electricity to go around. Brownouts and blackouts could occur as early as next year.

This could mean not only inconvenience in the home but also industrial curtailments affecting jobs. We are

working with business and industry to help them cut their energy use without interfering with their operations. But there are also ways you can help reduce energy use in the home:

By following the suggestions offered in our free "Meter Minders' Guidebook" you can help in the conservation effort and also save money on your household PG&E bill. And many of the tips suggested in the booklet require very little effort. Here are just a few of the 61 tips:

Use only full loads in your washing machine and clothes dryer.

Fill your dishwasher completely and operate it only once a day (instead of twice). You'll save energy and nearly a dollar a month on your utility bill.

Iron large batches of clothing at one time. That way you won't waste electricity re-heating your iron.

Turn off your lights, electric appliances, TV and stereo, when you're not using them.

The Meter Minders' Guidebook is free at your local PG&E office.

**Timely Lessons For Our Young Area Bicyclists**  
By JOHN T. FORD,  
Albany Police Dept.  
Bicycle Detail

In this lesson we will talk about riding your bike safely on the city streets. A later lesson will cover safe riding in the country.

Riding a bike in the city can be more dangerous than riding in the country because automobile traffic changes direction more frequently and quickly in the city. Also, there are so many more things drivers must do in city traffic such as stop quickly, speed up, slow down, change lanes, etc. So, to be a safe bicyclist you must naturally be very alert while riding

1. Avoid riding on very busy streets. NEVER ride on expressway or on freeway.
2. Always be sure you have a good grip on your handlebars with BOTH hands.
3. Always ride on the right side of the street, close to the curb, but watch for parked cars or people opening their car doors.
4. When riding with other bicyclists, always ride in a SINGLE FILE. Allow a full bike's length between your bike and the one ahead of you.
5. Always ride YOUR bike alone. Never carry a passenger or large bundles. This throws you off balance and blocks your vision.
6. STOP, look both directions, before entering the street from a sidewalk, driveway or alley. Remember, cars move much faster than bikes!
7. Obey all traffic signals, signs you see. They are for YOU as well as for all others on the streets!
8. NEVER hold onto any moving truck, car, or motorcycle, or other vehicles, allowing it to pull you along. Many bicyclists have been hurt badly, some even killed, in this manner.
9. Avoid riding your bike after dark. But, if you must be sure you have proper lights, (see Lesson No. 1), and wear light colored clothing.
10. When approaching intersections that have no stop signs, or other traffic signals, be prepared to stop.

**QUESTIONS ANSWERS**  
On which side of the street should bicyclists ride and close to what? When riding with other bikes, how should you be grouped, side-by-side or single file? What throws you off balance and blocks your vision when riding a bike? What must you do before entering a street from a driveway, alley or sidewalk? When are you allowed to hold onto a moving truck, and allow it to pull you? How should you cross streets that are very busy with auto traffic? Is it all right to ride a bike on the sidewalk? If you see people walking across the street ahead, should you slow down and let them pass first? Where can you safely do "tricks" and play games on your bike? Tell how to leave the school grounds and enter into moving traffic on the streets.

**CHURCH WOMEN UNITED**  
Church Women United of Berkeley-Albany will celebrate World Community Day on Friday, November 2, at St. John's Center, College Avenue and Gerber Street. At 6:30 a simple dinner will be served of typical Middle East foods consistent with the theme of the day which is based on the parable of the Good Samaritan. This will be followed by a program-in-the-round of music and dramatic expression of the theme, "Where in the World is my Neighbor?" with Jacqueline Shaw and Linda Seeger the participating artists.

Barbara A. Roche, newly appointed Director of Admissions and Student Services, Pacific School of Religion, will speak in behalf of International Mission, the national fund which supports educational and social projects in six continents, and for which an offering will be taken.

Mesdames Jock Brown and Davie Napier will preside. For dinner reservations at \$2 call 465-5925 or 843-8719.

**ST. ALBAN'S EPISCOPAL**  
The Rev. Warren Debenham of St. Alban's Episcopal Church announces the following services and celebrations commemorating All Saints' Day, November 1.

at the corner of Washington Ave. and Curtis St., Albany. All are invited to share in this worship and fellowship.

**FIRST BAPTIST CHURCH**  
This Sunday at the First Baptist Church the congregation will celebrate the Lord's Supper at the 11 a.m. service. The Pastor will bring the meditation entitled, "The Cup of Blessing." Nursery Care will be provided and the Senior Choir will sing. Classes for all ages are conducted at 9:45 a.m.

At the 7 p.m. service the unusual film "The Gift" will be shown. This film utilizes "animated paintings" to present the life of Christ and the ministry of the early church. The Youth Choir will sing at this service.

# ATTENTION VOTERS

Do YOU want your property taxes increased?  
Do YOU want your school taxes increased?  
Do you want medical and other social programs for the aged and retired, limited by "budgetary manipulations?"

PROPOSITION ONE, is a clever piece of political deception which would limit state spending while forcing money programs and costs back to local, city, county and school authorities.

## LEGAL NOTICE

**RESOLUTION No. 74-6**  
WHEREAS, in the judgment of the Board of Education of Albany Unified School District of Alameda County, it is necessary to secure all labor, materials, equipment, mechanical workmanship, transportation and services required for the construction and completion of:

**MARIN ELEMENTARY SCHOOL**  
to consist of seven one-story concrete masonry buildings with slab floors, metal stud and dry-wall partitions and woodframed roofs, incorporating 14 classrooms, a multi-use room, media center, administration and related service rooms; and site work to include earthwork, asphalt paving, fencing, turfing, irrigation sprinklers, utilities and other related work, to be located on a site on Marin Avenue between Curtis Street and Santa Fe Avenue in the City of Albany, Alameda County, California, in accordance with the plans and specifications for the same, prepared by Corlett and Spackman, Architects, 121 Second Street, San Francisco, California, which

## LEGAL NOTICE

are on file in the office of said Board and which said plans and specifications are hereby approved and adopted.

NOW, THEREFORE, BE IT RESOLVED that the general prevailing rates of wages as heretofore ascertained and determined by this Board in its Resolution No. 74-6 adopted on the 23rd day of October, 1973, in pursuance of Articles 1 and 2 of Chapter 1 of Part 7 of Division II of the Labor Code of the State of California, shall be the general prevailing rates of per diem wages for each craft or type of workman or mechanic needed to execute this contract; and

BE IT FURTHER RESOLVED, that the Secretary of this Board be and he is hereby authorized to advertise for proposals for the completion of said work in accordance with law by publishing the same in The Albany Times, a newspaper of general circulation published and circulated in said district; and

BE IT FURTHER RESOLVED, that the Notice to Contractors shall be in form as follows:

## NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Board of Education of the City of Albany and of Albany Unified School District of Alameda County hereby calls for sealed proposals to be delivered to the Secretary of Said Board at the office of said Board in the Administration Building of said school district, located at 804 Taibot Avenue on Solano Avenue in Albany, California, until Wednesday the 21st day of November, 1973, at 3:00 o'clock P.M. at which time and place said bids will be opened for the furnishing of all labor, materials, equipment, mechanical workmanship, transportation and services required for construction and completion of **MARIN ELEMENTARY SCHOOL**, to consist of seven one-story concrete masonry buildings with slab floors, metal stud and drywall partitions and woodframed roofs, incorporating 14 classrooms, a multi-use room, media center, administration and related service rooms; and site work to include earthwork, asphalt paving, fencing, turfing, irrigation sprinklers, utilities and other related work, at a site on Marin Avenue between Curtis Street and Santa Fe Avenue in the City of Albany, Alameda County, California, for the Albany Unified School District of Alameda County.

Bidders must bid on the base bid and all alternate bids set forth in the proposal form. These bids shall be presented in accordance with plans and specifications for said work prepared by Corlett and Spackman, Architects, 121 Second Street, San Francisco, California, which are on file at the said office of said Board located as above mentioned.

On deposit of Forty and no/100 Dollars (\$40.00) said plans and specifications may be had by any prospective bidder for the work above mentioned on application to said architects, and shall be returned at the time the bids are submitted.

If the plans and specifications are not returned to the said architects within the time above specified or are returned in a mutilated or damaged condition, the said deposit will be retained by said district as agreed and liquidated damages for said mutilation or detention.

Bids must be made on bid forms obtained at the said office of said architects and must be signed by the bidder and accompanied by a bid bond in the form procured from said office, duly

executed by the bidder as principal and a corporation authorized to do business in the State of California as surety naming the Albany Unified School District of Alameda County as obligee, or by a cashier's check or certified check, certified without qualification, drawn on a solvent bank of the State of California or on a national bank doing business in the State of California, in the amount of Ninety Thousand and no/100 Dollars (\$90,000.00), and made payable to the Albany Unified School District of Alameda County. Should the party or parties to whom the contract should be awarded fail to enter into the contract after the award and to file the required bonds the proceeds of said certified or cashier's check or the amount paid by the bidder or his surety pursuant to the terms of said bid bond either voluntarily or pursuant to the judgment rendered by the court in any action brought thereon will be retained by said district as agreed and liquidated damages.

The contractor and any subcontractors under him must pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holiday and overtime work, for work of a similar character in the locality in which the work is performed, to wit: said school district, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by said Board and which is now on file in the office of said Board and by reference incorporated and specified herein and made a part hereof, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted for each craft or type of workman or mechanic needed to execute this contract, is herein specified as follows:

cept: A. When unemployment in the area of coverage by the joint apprenticeship committee has exceeded an average of 15 per cent in the 90 days prior to the request for certificate, or

B. When the number of apprentices in training in the area exceeds a ratio of one to five, or

C. When the trade can show that its membership through apprenticeship training on an annual basis state-wide or locally, or

D. When assignment of an apprentice to any work performed under a public works contract would create a condition which would jeopardize his life or the life, safety, or property of fellow employees or the public at large, or when the specific task to which the apprentice is to be assigned is of such a nature that

trial cannot be provided by a contractor.

E. When the Contractor provides evidence that he employs registered apprentices on all of his contracts on an annual average of not less than one apprentice to eight journeymen.

The Contractor is required to make contributions to funds established for the administration of apprenticeship programs if he employs registered apprentices or journeymen in any apprenticeship training on such contracts and if other contractors on the public works site are making such contributions.

The Contractor and any subcontractor under him shall comply with the requirements of Sections 1777.5 and 1777.6 in the employment of apprentices. Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, ex officio the Administrator of Apprenticeship, San Francisco, California, or from the Division of Apprenticeship Standards and its branch offices.

The Board reserves the right to reject any and all bids, or any or all items or alternates or proposals of such bids. The contract will be awarded to the bidder whose bid is lowest on the Base Bid and Alternate Bids accepted or rejected by the Board.

No bidder may withdraw his bid for a period of thirty (30) days after the time set for the submission of bids, and the Board will act to accept or reject the successful bid within that period of time, unless state funds have been allocated for the work by the Office of Local Assistance, Department of General Services, in which event no action will be taken.

(The Board may still make its action upon bid after the expiration of one week after receipt by said Board of notice of the action taken by said Office of Local Assistance.)

By order of said Board, October 23, 1973.

Charles E. McCully, Secretary of the Board of Education of the City of Albany and of Albany Unified School District of Albany County, State of California.

Adopted by the following called vote this 23rd day of October, 1973:

AYES: Members Chin, Arnold, Ganong, Nehls, Rosano.

NOES: None.

ABSENT: None.

Charles E. McCully, Secretary of the Board of Education of the City of Albany and of Albany Unified School District of Albany County, State of California.
